Higiene

Los productos Verbano Gourmet son fabricados a partir de materias primas 100% naturales, sin vestigios de Cadmio ni Plomo. Nuestra porcelana al no ser porosa no absorbe ningún tipo de liquido; olores; bacterias, garantizando así la autenticidad de sabores y una higiene perfecta.

Cocción

La porcelana Verbano Gourmt es fabricada de modo que la pieza se caliente gradualmente, originando una harmoniosa cocción y favoreciendo los sabores y aromas. En la mesa aparte de la estética, nuestra porcelana permite mantener su comida a una temperatura ideal.

Resistencia

La porcelana Verbano Gourmet se fabrica con la mejor calidad de materias primas y utilizando la tecnología de producción mas avanzada del mercado. Solo así es posible garantizar la total resistencia al choque térmico, exposición a agentes erosivos y a una utilización intensiva. Combinamos la resistencia con formas diseñadas para facilitar su almacenamiento, transporte y manejo.

Mantenimiento

La calidad de los acabados y de las materias primas utilizadas en nuestra porcelana hacen que nuestras piezas sean fáciles de usar; comodas de mantener; fáciles de limpiar y guardar. Permitiendo ser utilizadas y combinadas para dar la máxima elegancia a su mesa.

Hygiene

Verbano Gourmet's products are made from 100% natural substances without residues of cadmium or lead. Not being porous, Verbano Gourmet porcelain doesn't absorb fats, odors or bacteria, guaranteeing the authenticity of flavors and a perfect hygiene.

Cooking

Verbano Gourmt's porcelain is intentionally manufactured to guarantee that its structure heats gradually from the center, originating a harmonious cooking and stimulating the accuracy, perfection and pureness of flavors and aromas. On the table, more than purely aesthetic, Verbano Gourmet's porcelain allows you to keep your meal at the ideal temperature.

Resistance

Verbano Gourmet's porcelain, due to the quality of the raw materials, to its vitrification level and to the use of the most advanced production technologies, is especially designed to guarantee the resistance to great thermal shocks, to the contact with erosive agents and to the intensive use. The design had also been thought in order to facilitate storage, transportation and handling.

Maintenance

The quality of the details and raw materials used in Verbano Gourmet's porcelain facilitates its use and maintenance, therefore they are easy to clean, to arrange, to use and to combine.
